

Guía de instalación

Jump The Rock

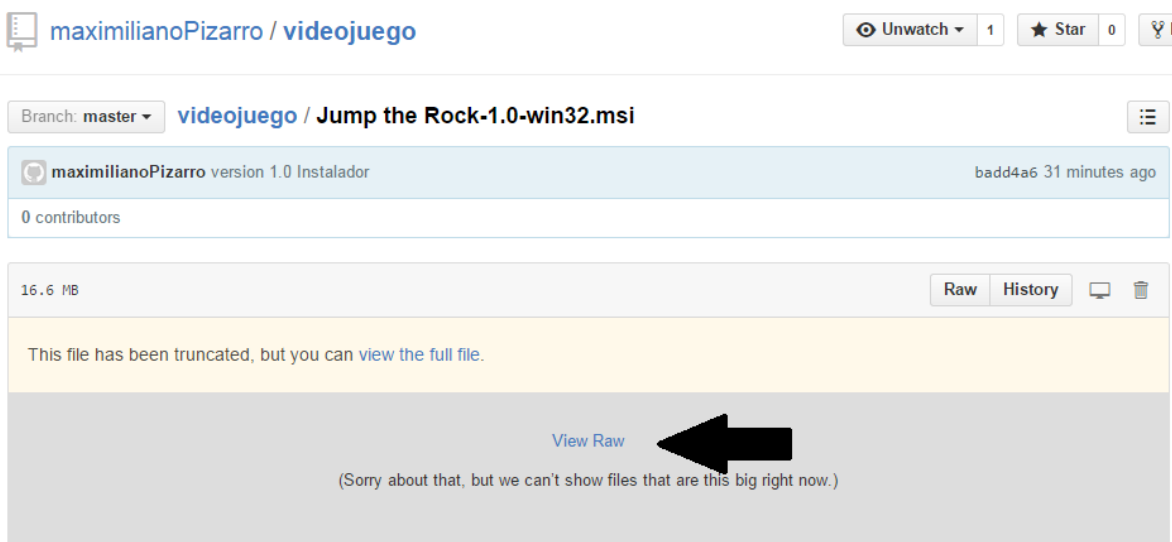

1. Link de descarga:

<https://github.com/maximilianoPizarro/videojuego>

This screenshot shows the GitHub repository page for 'maximilianoPizarro / videojuego'. At the top, there's a search bar and navigation links for 'Pull requests', 'Issues', and 'Gist'. Below the repository name, there's a description field, a website field, and 'Save' or 'Cancel' buttons. A summary bar shows '6 commits', '1 branch', '0 releases', and '0 contributors'. A commit list shows a commit by 'maximilianoPizarro' titled 'Delete Jump The Rock-1.0.0-win32.msi' and another commit titled 'Jump the Rock-1.0-win32.msi' with a black arrow pointing to it. A 'Add a README' button is at the bottom.

Seleccione “View Raw” para iniciar descarga

This screenshot shows the GitHub file page for 'Jump the Rock-1.0-win32.msi'. It displays the file name, the commit hash 'badd4a6', and the time '31 minutes ago'. Below the file name, there's a 'Raw' button and a 'History' button. A message states 'This file has been truncated, but you can view the full file.' and a 'View Raw' link is shown with a black arrow pointing to it. A note at the bottom says '(Sorry about that, but we can't show files that are this big right now.)'.
